(Part number: 200-122-005)

For

Janome  
home use models

**No.1**

**500 pcs. of bobbins in a cosmetic box**

[ Part No. 202-544-014 ]

**Point 01**

**Noise Reduction**

Special technology is added to the clear resin to improve performance and reduce noise.

**Example**

- When the sewing machine is operated at high speed, it is relatively quiet.
- when bobbins are dropped, they do not bounce as much as others.

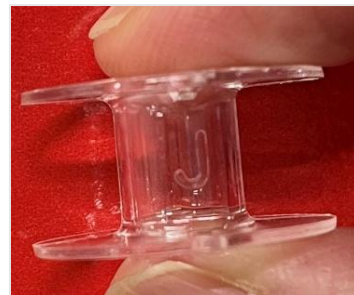

＼ Janome's genuine products ／

**Point 02**

**Imprinted with letter 'J'**

This is a feature of genuine Janome products.
