Point 01

Available for commercial use

Works created using the embroidery designs included in this kit may be used for commercial purposes.

Earn 66 embroidery designs – a great value!
Use them all for a wide range of applications.

*You can access the download page for these embroidery data by scanning the QR code printed on the back of the design download card.

Note

THINGS YOU CAN DO

- Selling items embroidered using this kit
- Photographing items embroidered using this kit and selling those photos or videos
- Posting photos or videos of items embroidered using this kit on websites, social media, etc.

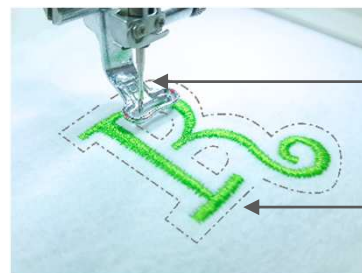

PROHIBITED ACTIONS

- Transferring, selling, or distributing this kit's embroidery data to third parties, either as-is or modified, including posting it on SNS/websites for distribution
- Representing works incorporating this kit's embroidery as if they were Janome products
- Registering copyright for items incorporating this kit's embroidery

Point 02

Automatically cuts the fabric

Even parts that are hard to cut by hand are automatically cut by the embroidery machines!
The only necessary task is to replace the needle.

● Cutwork needle

● Cut line

Point 03

Combinations of designs using software

To help you enjoy cutwork embroidery, the product includes embroidery designs that can be used directly with your embroidery machine, in addition to 66 cutwork designs compatible with the Artistic Digitizer.
By using them together with the software, you can edit and combine multiple cutwork designs to make a wide variety of embroidery patterns.
